Corporate Attorneys Team with Local Law Schools to Promote In-House Counsel Careers

Thomas Jefferson School of Law to Host ACC Workshop for Employers, Students & Grads on Saturday

SAN DIEGO - An informative workshop to bring together potential employers and local law students and graduates interested in-house counsel career paths will be hosted by Thomas Jefferson School of Law (TJSL) on **Saturday, Sept. 22**.

The 1st Annual Association of Corporate Counsel (ACC) In-House Counsel Day will be held at TJSL from 9 a.m. – 2 p.m., 1155 Island Avenue in Downtown San Diego. The event is sponsored by the ACC San Diego Chapter, Thomas Jefferson School of Law, and California Western School of Law.

In-House Counsel Day is a dynamic informational and networking event for students and graduates interested in finding out more about in-house legal careers with San Diego companies. ACC companies will be on hand to meet students and alumni and learn about the internship programs at both law schools. The event will cover internship placement, summer jobs and being hired after law school. The 'Made in San Diego' companies will also present information about their internship and career opportunities.

The sponsors are looking for additional employers who are interested in hiring in-house counsel or student interns to participate in the event. They can contact Mary Cheney of the ACC at mcheney@apricusbio.com.

The ACC San Diego Chapter is part of a global bar association that promotes the common professional and business interests of in-house counsel who work for corporations, associations and other private-sector organizations.

The event is free and is open to students and alumni of the San Diego's three ABA law schools. Students and alumni should RSVP to careerservices@tjssl.edu by Thursday, September 20.
